### • • What is Said of the Pulpit. • •

"As a subscriber to, and constant reader of *The Pulpit*, I am constrained to inform you of how much I feel indebted to you for the benefit conferred upon me and others through your publication. As a rule, the selection of sermons is marked, in my judgment, by extreme carefulness, bringing in review an interesting variety of minds, and also presenting expositions which are generally very helpful and inspiring. I wish that every preacher, great and small, might make it a part of his duty to read *The Pulpit* every month."—*Rev. Henry Mottet, New York City.*

"*The Pulpit's* list of contributors is a guarantee that nothing stale or commonplace will be worked off on the public. We know of no way whereby ministers who are under necessity of preaching two or three sermons a week that will meet expectations and increasingly attach men to the ministry of the Word, can qualify themselves more than by the perusal of the best productions of brethren who are breast deep in work at the great centers of thought and activity. We wish every one of our brother ministers would invest in *The Pulpit*."—*Northwestern Baptist.*

### Another Year.

Another year is dawning!  
Dear Master, let it be  
In working or in waiting  
Another year with thee!

Another year of leaning  
Upon thy loving breast;  
Of ever deepening trustfulness,  
Of quiet, happy rest.

Another year of mercies,  
Of faithfulness and grace;  
Another year of gladness  
In the shining of thy face.

Another year of progress,  
Another year of praise,  
Another year of proving  
Thy presence "all the days."

Another year of service,  
Of witness for thy love;  
Another year of training  
For holier work above.

Another year is dawning!  
Dear Master, let it be  
On earth, or else in heaven,  
Another year for thee!

—*Frances Ridley Havergal.*

### The Flight of Years.

Remorseless Time,  
Fierce spirit of the glass and scythe, what power  
Can stay him in his silent course, or melt  
His iron heart to pity? On, still on  
He presses, and forever.

—*G. D. Prentice.*

A thousand years, and years on years sublime—  
So may we mete eternity by time;  
A thousand cycles measured day by day,  
When day itself shall long have burned away;  
Each single soul, each mind that lists me now,  
Yes, shrinking spirit, these, and surely thou!  
I know, in some far world, beyond our ken,  
Deathless as God, will still be thinking then,  
There is no end; ye are, and cannot die!

—*A. Cleveland Coxe.*

And so we sadly lay, Old Year,  
Our love-wreath on thy snowy bier,  
Our love-wreath, moistened by a tear;  
And turning from our brief adieu,  
With kindly welcome hail the new.  
True to the ruling power we sing,  
"The King is dead!" "Long live the King!"

—*W. H. Burleigh.*

## 1893.

The Year-Book of 1893 will be fully one half larger than the present one. Great pains will be taken to secure accuracy in the Ministerial Directory, to present statistical tables of exceeding value, condensed histories of the brotherhood, Christian Publishing Association, *Herald of Gospel Liberty*, and other publications; cuts of institutions

of learning, churches, leading ministerial, professional, and lay brethren will embellish the book.

The foregoing is hardly a hint of the creditable Year-Book that will be prepared for next year, providing present plans and purposes do not seriously go astray.

## Christian Publishing Association.

Every member of the Christian Church has close interest in our publishing business. Membership in the American Christian Convention, familiarly called the "Quadrennial," is also membership in the Christian Publishing Association.

The president, vice president, secretary, treasurer, editor or editors, and seven trustees are elected by ballot by the Association at its quadrennial session. The president and secretary are also trustees ex-officio.

J. J. SUMMERBELL, Secretary, 2120 W. NORRIS ST., PHILADELPHIA, PA.

*Officers:*—Rev. D. A. Long, D. D., LL.D., President; Rev. J. J. Summerbell, D. D., Secretary; Rev. J. G. Bishop, Secretary of the Missionary and Church-Extension Department; Rev. M. Summerbell, D.D., Secretary of the Educational Department; Rev. H. J. Duckworth, Secretary of the Publishing Department; Rev. J. F. Burnett, Secretary of the Sabbath-school Department; Hon. F. A. Palmer, Secretary of the Treasury Department.

By vote of the Convention at New Bedford, in 1886, repeated at Marion, in 1890, the Secretary is made general agent in making effective the general measures of the Christians.

Churches in need of pastors, by addressing the Secretary, may secure names of ministers awaiting call.

This Convention represents over a hundred thousand free Christians.

We invite independent Christians to cooperate and work with us.

Churches are requested by the Convention to take four collections annually:

On the second Sunday in March, for Education.

On the second Sunday in June (Childrens' Day), for Home Missions.

On the second Sunday in September, for Foreign Missions.

On the second Sunday in December, for the American Christian Convention.

Those who have not the opportunity to contribute in the collections of the churches are requested to send money directly to the Secretary of the Convention.

Sunday-schools are requested to take one collection annually for the benefit of the Sunday-school Department.

The benevolent are invited to contribute to *The Aged Ministers' Relief Fund*; stating whether the money is for the endowment of the fund, or for direct use. The Executive Board will establish regulations.

By the action of the Executive Board of the American Christian Convention, the moneys taken in response to the Convention calls for collections, should be sent to the Secretary, J. J. Summerbell, 2120 West Norris Street, Philadelphia, Pennsylvania, and all remittances should be made by bank check, draft, registered letter, or post office money order.

Give neither counsel nor salt until you are asked for it.

Gold can buy nearly everything in this world, except what a man wants most—happiness.

What is the ever-present and urgent need of the church? The presence of the spirit, a Christ-like ministry, a consecrated membership, better qualified workers, more cooperative workers, a larger number of self-denying workers.

The census of 1890 gives the population of the United States as 62,480,540.

Dear reader, be properly impressed that you may go to heaven without learning, riches, prosperity, and health; but you cannot go there without faith, repentance, holiness in Christ.

W. E. Bassler, Esq., was born August 19, 1848, at Huntersland, New York. In 1869 he creditably graduated from Starkey Seminary. In 1874 occurred his marriage with Miss Alida Manning. Mr. Bassler is a man of versatile labors—the farm, the store, the editorial sanctum, and the temperance lecture platform receiving attention from him. For sixteen years he has been a trustee of Starkey Seminary, and for ten years

the loved and efficient president of the board. Although one of the most prominent figures in his county in church, society, and politics, Mr. Bassler is singularly modest and retiring, never seeking position, yet ever with fidelity and ability discharging the trusts imposed upon him. He bears acquaintance, and the universal thought of those knowing him well is that he is one of nature's noblemen.

# Easter Song

Clear in the soft warm sunshine,  
The Easter hymns are ringing.  
The low note of a spring bird  
Chimes with the children's singing  
To Thee  
The praise?

The lilies snowy whiteness,  
Shines out to grace the day  
May the children's hearts be always  
As pure and fair as they.   
To Thee  
The praise"

## Rev. Simon Clough, D. D.

A deeply interesting sketch of this talented, industrious, scholarly, and consecrated

preacher and writer, appeared in the *Herald*, of July 23, 1891. From 1793 to 1844 were his earthly years. His labors in New York, Boston, Fall River, and Portland, were notable. Many church organizations and church buildings were brought into being chiefly through his personal labors. Liberty of conscience, the right of private judgment, and the fellowship of all Christians, were dear to this man brought up in a sectarian church, and for these principles he bravely and persistently stood at a time when denominational walls were Chineseian. The churches East were proud of Dr. Clough's mental and moral attainments. They loved the spiritual giant. To many of them he was a very Paul. Great was their mourning when the mortal remains of Simon Clough were laid away in the cemetery at Irvington, New Jersey.

## Presidents of the United States.

We trace our presidents, one by one:—  
 First stands before us *Washington*;  
 The elder *Adams* next we see,  
 And *Jefferson* comes number three;  
 The fourth is *Madison*, you know,  
 The fifth one on the list, *Monroe*;  
 The sixth an *Adams* comes again,  
 And *Jackson*, seventh in the train;  
*Van Buren*, eighth upon the line,  
 And *Harrison* counts number nine;  
 The tenth is *Tyler*, in his turn,  
 And *Polk* eleventh, as we learn;

The twelfth is *Taylor* that appears,  
 And thirteenth, *Fillmore* fills his years;  
 Then *Pierce* comes fourteenth into view;  
*Buchanan* is the fifteenth due;  
 The sixteenth, *Lincoln* bears the sway,  
 And *Johnson*, seventeenth, you say;  
*Grant*, as the eighteenth, takes the chair,  
 And *Hayes*, the nineteenth, next declare  
 To *Garfield* yield the twentieth time,  
 Set *Arthur* twenty-first in rhyme;  
*Cleveland* is twenty-second heard,  
 And *Harrison*, the twenty-third.

## George W. Long, M. D.

Dr. George W. Long, the fifth son of Jacob and Jane S. Long, and a young brother of the Rev. Drs. W. S. and D. A. Long, who are so well known among our people, the former as president of Elon College, and the latter as president of Antioch College, was born near Graham, North Carolina, July 15, 1848. He is therefore in his forty-fourth year. Dr. Long was educated under his brother, the Rev. W. S. Long, D. D., and the Rev. Alex. Wilson, D. D., and graduated in medicine from the University of Pennsylvania in 1874. He entered at once his chosen profession and

rose rapidly as a practitioner, winning the confidence of the people and the highest honors in the gift of his brethren of the medical profession. He is now one of the medical examiners on the State Board.

Dr. Long married, when only nineteen years of age, Miss Mary C., daughter of Dr. John A. Walker, of Orange County, North Carolina. He has an interesting family of three children living. He also has three children dead. He is a well developed man physically and a strong man intellectually. In his practice as a physician he has shown many of the family traits of character which have been so prominent in the work of the two college presidents.

Dr. Long is a staunch member of the Christian Church, and is regarded by those who know him well as one of the most thoughtful and conscientious laymen in the churches of the Southern Convention. He is a member of New Providence Church, near Graham, where he is held in high esteem by the membership. His whole life has been spent in his native county. His practice as a physician has been almost wholly among the people who were the neighbors of his parents and the companions of his childhood. They will not hear of his leaving the community to locate elsewhere. At home he is a *growing man*.

Salt fish are quickest and best freshened by soaking in sour milk.

Cold rain water and soap will remove machine grease from washable fabrics.

Paint stains that are dry and old may be removed from cotton or woolen goods with chloroform. It is a good plan to first cover the spot with olive oil or butter.

Fish may be scaled much easier by first dipping them into boiling water for a minute.

Milk which has changed may be sweetened or rendered fit for use again by stirring in a little soda.

Boiling starch is much improved by the addition of sperm, or salt, or both, or a little gum arabic dissolved.

## Missionary.

The missionary work of the Church is under the direction of the Missionary and Church Extension Department of the American Christian Convention. This department is managed by a board of five elected quadrennially.

### OFFICERS OF THE BOARD.

*President*—Rev. W. T. Warbinton, Covington, Ohio.

*Secretary*—Rev. C. W. Choate, A. M., Springfield, Ohio.

Rev. J. P. Watson, D. D., Dayton, Ohio.

Rev. A. Dunlap, Columbus, Ohio.

*Secretary of the Department, and Treasurer of the Board*—Rev. J. G. Bishop, Dayton, Ohio.

The board directs two departments of work, the Home and the Foreign. These departments and their funds are distinct. Money contributed to one department being sacredly used for that department only.

### HOME DEPARTMENT.

Receipts for 1891, about \$3,500.00.

The proceeds of Children's Day (1891), was \$2,830.36.

Expended for the work during the year, about \$3,300.00.

Assistance has been given during the year to thirty-two missionaries. Their work has been distributed in seventeen different States, to-wit, Maine, New Hampshire, Massachusetts, New York, New Jersey, Pennsylvania, Virginia, West Virginia, North Carolina, Ohio, Michigan, Indiana, Illinois, Iowa, Missouri, Kansas, and Texas.

The following, so far as may be put in figures, indicates the labor, and the results, of our workers in the Home field for the year: Months of labor, 259; sermons preached, 3,321; family calls made, 6,420; meetings held, 4,263; members received,

1,143; baptisms performed, 254; new churches organized, 6; new Sunday-schools organized, 32; subscriptions to Church papers, 178.

There have never been as many applications for assistance in establishing Christian churches in the larger centers of population, as well as for rural and frontier work, as at present. A grand opportunity for the Christians. Will they furnish the means by which these doors may be entered? The board is powerless to do only as means are furnished them.

### Woman's Home Mission Board

Is a valuable aid in the Home work.

#### OFFICERS OF THE WOMAN'S HOME BOARD.

*President*—Rev. Emily K. Bishop, Dayton, Ohio.

*Vice President*—Mrs. O. H. Keller, Marion, Indiana.

*Recording Secretary*—Miss C. Ella Kiefer, Yellow Springs, Ohio.

*Corresponding Secretary*—Mrs. J. P. Watson, Dayton, Ohio.

*Treasurer*—Mrs. D. A. Long, Yellow Springs, Ohio.

These, with Mrs. T. A. Jones, of Norfolk, Virginia, and Mrs. Rena Northcut, of Troy, Ohio, constitute the Executive Committee.

### FOREIGN DEPARTMENT.

At present all our work in the Foreign Field is in Japan. Headquarters are at Tokio.

Missionaries now in the field: Rev. D. F. Jones and wife, and Rev. H. J. Rhodes. Eight native preachers assist.

Connected with the mission are four Christian churches and seven Christian Sunday-schools, organized with about thirty

Our controversy is not with a dogma, but with a spirit—the spirit of intolerance and exclusiveness.—*Rev. G. D. Black.*

The spirit of the age is worldly. In the church worldliness nowadays runs to ecclesiastical aestheticism, ritualism, and to the love of show, the love of money, and the love of rule. It is easy for the worldly spirit to capture an organization and carry it on in the interest of personal ambition, social pleasures, public display, and of so called "success."

A young man idle, an old man needy.

A good fame is better than a good face.

A good wife and health are a man's best wealth.

A man can never thrive who has a wasteful wife.

What children hear at home soon flies abroad.

He that will not be counseled cannot be helped.

One ploughs, another sows—who will reap no one knows.

Soft words, warm friends; bitter words, lasting enemies.

A handful of common sense is worth a bushel of learning.

A wealthy man who obtains his wealth honestly and uses it rightly, is a blessing to the community.

Another man's trade costs money.

A good paymaster never wants workmen.

When fools go to market, pedlars make money.

He who serves well need not be afraid to ask his wages.

He who has four and spends five, has no need of a purse.

If you would know what a dollar is worth try to borrow one.

It is no use hiding from a friend what is known to an enemy.

The two best books to a child are a good mother's face and life.

A man of words and not of deeds, is like a garden full of weeds.

Gold is an idol worshiped in all climates without a single temple, and by all classes without a single hypocrite.

## Union Christian College, Merom, Indiana.

UNION CHRISTIAN COLLEGE, MEROM, INDIANA.

Founded in 1859. Nine distinct departments—Bible, Philosophy, Science, Classics, History, Commerce, Pedagogy, Music, and Art. It has ever sought to be a thoroughly Christian institution. Nearly one third of its alumni are ministers of the gospel. It is rare that a student completes a course without going forth a professed follower of Christ. The 1891 catalogue registers 193 students, about one tenth of them being candidates for the ministry. Rev. L. J. Aldrich, D. D., heads the list of able professors. Under his presidency the number of students is increasing and the general interests of all departments enlarging.

## The Origin of the Names of Days.

The week was unknown to the ancients of classic ages, till it was gradually adopted, along with Christianity, under the later emperors. The arrangement of the heavenly bodies, according to their distances from the earth, is in the following order: Saturn, Jupiter, Mars, the sun, Venus, Mercury, the Moon; and it was a principle of the ancient astrology that these planets presided in succession over the hours of the day, and from which the Latin designations given to days of the week have been derived; and from these have been formed the modern names used in different countries, either by literal translation, or, in the Teutonic tongues, by the substitution, in some cases, of the corresponding deity of northern paganism for the classical god.

*Sunday.*—Is so called, because it was anciently dedicated to the worship of the sun.

*Monday.*—Means literally the day of the moon.

*Tuesday.*—Was dedicated to Tuisco, the Mars of our Saxon ancestors, the deity that presided over combats, strife, and litigation. Hence, in England Tuesday is assize day; the day for combat, or commencing litigation.

*Wednesday.*—Is so called from Wodin, or Odin, a deity or chief among the northern nations of Europe.

*Thursday.*—Was named by the Saxons from Thor, the old Teutonic god of thunder.

*Friday.*—Is from Frea or Friga, a goddess of the old Saxon mythology.

*Saturday.*—Means simply Saturn's day, the name being derived from the deity of that name.

### The Origin of the Names of the Months.

*January*—The Roman Janus presided over the beginning of everything; hence the first month of the year was called after him.

*February*—The Roman festival Februs was held on the 15th day of this month, in honor of Lupercus, the god of fertility.

*March*—Named from the Roman god of war, Mars.

*April*—Latin Aprilis, probably derived from asperire, to open; because spring generally begins and the buds open in this month.

*May*—Latin Maius, probably derived from Maia, a feminine divinity worshiped at Rome on the first day of this month.

*June*—Juno, a Roman divinity worshiped as the Queen of Heaven.

*July (Julius)*—Julius Cæsar was born in this month.

*August*—Named by the Emperor Augustus Cæsar, B. C. 30, after himself, as he regarded it a lucky month, being that in which he had gained several victories.

*September* (septem, or 7)—September was the seventh month in the old Roman calendar.

*October* (octo)—Eighth month of the old Roman year.

*November* (novem, or 9)—November was the ninth month in the old Roman year.

*December* (decem, or 10)—December was the tenth month of the early Roman year. About the 21st of this month the sun enters the Tropic of Capricorn, and forms the winter solstice.

Kerosene was first used for lighting purposes in 1826.

Kerosene will soften boots and shoes that have been hardened by water, and will render them as pliable as new.

Modern needles first came into use in 1545.

Thoroughly wetting the hair once or twice with a solution of salt and water will keep it from falling out.

### Things Worth Remembering.

It is said that there is only one sudden death among women to every eight among men.

Our country has one million miles of telegraph wires; enough to reach forty times around the globe.

Farm lands in the United States, taking the country as a whole, occupy only 289 acres in every 1,000.

Nine hundred and fifty submarine telegraph cables are now in operation, most of them in Europe; and their total length, it is said, is over 89,000 miles, while new ones are being laid.

There are about 105 women to every 100 men; one quarter of the population of the world die before the age of 17 years; only one in a thousand lives to be 100 years old, and only six in a thousand reach 75.

### New Capitol Building at Albany, N. Y.

It was decided to erect the new capitol on the first day of May, 1865. On the ninth day of December, 1867, the work of excavation commenced, and proceeded to a depth of sixteen feet below the surface. On the seventh day of July, 1869, the first stone in the foundation was laid. The corner stone was laid on June 23, 1871. The size is

300 feet north and south, by 400 feet east and west, and with the porticoes, will cover 3 acres and 7 square feet. The walls are 108 feet high from the water table. Total cost of the building up to February 25, 1886, was \$17,310,720. It is estimated that it will cost at least \$6,000,000 more to complete it.

### Learn to Study.

Why do not some preachers study more for pulpit preparations and to improve their intellectual and moral powers? Because they have never learned how to study. They learned many branches of knowledge, but they did not study. They read promiscuously a little of a great many subjects, but

being in the mind like drops of oil in a bucket of water, they never coalesce, but float separately on the surface. Study means gathering facts on a subject, analyzing and comparing them, selecting what are suited to a definite point, drawing a conclusion, and reaching truth.

A CIRCULATION of 5,000 through our churches of a publication eagerly looked for and highly prized on account of peculiarly interesting information to us, as a religious body, would seem to be an especially excellent advertising medium for bells, books of all kinds, musical instruments, lights, etc., etc.

PLEASE mention the CHRISTIAN YEAR-BOOK in writing advertisers, and confer a favor upon the Christian Publishing Association.

THE HERALD OF GOSPEL LIBERTY is the oldest religious newspaper in the world. Complete files since September 1, 1808, are in this office.

## Ministerial Directory—1892.

Let ministers send on a postal personal addresses not earlier than August 1st, nor later than November 1st. The 1893 book will be issued December 1, 1892. It is impracticable to put in names of unordained ministers.

### A Year for Thee.

Out of eternity  
 This New Year is born;  
 Into eternity  
 At last will return.

—Adapted from Carlyle.

I see not a step before me  
 As I tread on another year,  
 But the past is still in God's keeping,  
 The future his mercy shall clear,  
 And what looks dark in the distance  
 May brighten as I draw near.

—Mary G. Brainard.

# SELLERS' FAMILY MEDICINES!

**SAVED THE VALUE OF A FARM.**

Sellers' Cough Syrup has attained a reputation almost equal to Sellers' Pills, and more could hardly be said of any medicine. The Syrup should be kept in every family where there are children, and grown up people find it a most valuable medicine for coughs, colds, hoarseness, and throat and lung diseases. The Pills are such a standard remedy in some parts of the country that a family never thinks of being without them. Said an old gentleman in Eastern Maryland, "Why, I've raised my family on Sellers' Pills, and I consider them almost as essential to a family as bread. In the last thirty years they have saved me enough in doctors' bills to pay for a farm."—*Cincinnati Star.*

# THE MASTER'S PRAISE.

(OUR NEW SUNDAY-SCHOOL SONG BOOK,)

By *LORENZ & BALTZELL.*

The best of all their Sunday-school books. The music is spirited, with great variety, yet not difficult or heavy. The hymns are fresh and well written, and of good literary quality. In addition, there is all the supplementary matter, opening and closing exercises, anthems, songs for Christmas, Easter, Children's Day, etc.

Another capital feature of this book will be its mechanical form. It is printed on good super-calendered paper, in clear type, and is *substantially bound in cloth.* This change from the easily broken boards of the average Sunday-school book will be hailed with delight by everyone. The cloth is attractive and well finished.

Contains 176 pages. Prices: 35 cents each, postpaid; \$4.20 per dozen, postpaid; \$3.60 per dozen by express, not prepaid.
